**WELCOME TO**

**Paediatric Nordic Neuro-Oncology (PaeNNO) Meeting on 4-6 September in Helsinki, Finland.**

We cordially invite you to join the exhibition of Paediatric Nordic Neuro-Oncology meeting (PaeNNO) to be held on 5-6 September in the Hotel Scandic Park in Helsinki, Finland.

The multidisciplinary PaeNNO meeting is held bi-annually in Nordic countries, and it usually gathers approximately 120-150 participants from the fields of pediatric neuro-oncology, neurology, neurosurgery, neuroradiology, radiotherapy, neuropsychology. The main topic of the 2019 meeting is novel therapies and the underlying biology in the treatment of pediatric central nervous system tumors. Recent findings in the molecular biology of these diseases, novel drugs for targeted therapy and novel forms of radiation and surgical therapy are on the agenda of this meeting. The lecturers are of high quality leading European researchers and clinicians in the field of pediatric neuro-oncology.

We hope you will be interested in contributing to the success of this event together with us. A few options are presented below.
